Over 18,000 years ago many of the men in China dedicated their life to the study of philosophy. And then applied it to a war to end all wars.

The country was plagued by a bandit hoarde known as the Yellow Scarves. Who amassed a power no one had yet to conquer. Fact is, no one could assemble a force strong enough to destroy them.

In *Destiny of an Emperor*, your challenge is to change the course of history forever. For the good of China. And the world.

This full scale, role playing adventure game for the Nintendo System will put you deep in the throes of that war.

The action is as real as it gets thanks to the discovery of authentic documents detailing the era.

Characteristics of 180 warlords have been simulated based on the renowned text of *Sanquozhi Yanyi*.

Even 20th century strategists are destined to spend hours, even days on each game. And when you take a break to philosophize on your next action (if you can pull yourself away) you

Conquering this game will take you centuries.

can actually save up to three histories exactly where you've left off.

You can put yourself in the place of Liu Bei, dedicated to raising an army for the restoration of the dynasty. Or Guan

Yu, an exceptionally skilled warrior, match for a thousand soldiers and worshipped as a god.

But no matter who you are, it will be hard to win the war against Zhang Jao, the deadly leader of the Yellow Scarve rebels and founder of the Tai Ping sect. Not to mention the most feared

Chinese warlord of all, Lu Bu, destined to be a traitor because of his great strength and courage.

You'll use every strategic cell in your brain to fulfill your constant requirements for weapons, food and manpower. You'll give important commands that could mean your life, and the life of your armies. And in true Chinese tradition, you'll engage in battle

again and again to defend your honor. An honor certified by an oath signed in blood.

When all is said and done, there will be room for only one Emperor. Whether or not that will be you is your destiny alone.

In the mountains, rebels await behind every tree.

IVAN SKOLNICK
MFG. EDITOR

c/o STAR COMICS, 387 PARK AVE. SOUTH, NYC, NY 10016

Hey, kids—Since we print your name, city, and state, please include them on your letters.

Dear ALF,

I watch your TV shows every Monday, and the same time on Saturdays. I read some of your comic books, and I hope you will make a motion picture of your life on Melmac.

My favorite color is red and blue. What's yours?

I love cats, too, but I have a dog. Do you like dogs as much as cats?

Michael W. Smith
Warm Springs, OR

Dogs are okay, Michael. But ALF has a special place in his heart (and stomach) for cats.

Dear ALF,

I have ten of your comic books. I love them. Please give me ten dollars. All right? ALF, I like your TV shows a lot. I watch it every Monday and Saturday.

I need your help. My brother always tears the comic books of you. Please help.

Jose Andovoul
Queens, NY

Here's our advice, Jose. Bribe him! It always works for ALF. ALF just offers someone chocolate-covered slime balls, and you'd be amazed at what a person will do to avoid eating one. Just kidding.

Why don't you read the comics to your brother and show him the pictures? Then put them away when you're done, out of his reach, of course.

Dear ALF,

I think you should put Jake Trevor and his wife in more of your issues. The only time I've seen them in there was when Trevor got fired in "The Invisible Melman," ALF Spring Issue, 1989.

I have issues #2, 14, 21, 26 and the ALF Spring Special.

Keep up the good work.

Justin Rea
Pontotoc, MS

You'll have to argue with the Tanners, Justin. They'd like to see less of Jake. But if you're able to read some of the back issues of ALF you'll find more stories featuring Jake Trevor. One of the funniest is "One Tiny Mistake," Issue #3.

Dear Alien-type Person,

You've already shown what would happen if ALF crash-landed at the Ochmoneks. Why not show what would happen if the Ochmoneks crash-landed at the Shumways? Maybe if the Melmarx brothers landed at the Tanners? Maybe more of the X-Melmen?

What happened to ALF-A-Flight, which ALF was going to start on the cover of issue #22? Maybe even show what happened to

Willie when he came home with lipstick on his collar at the end of #22.

Jason Burkhardt
DeLand, FL

Can't you hear it now, Jason? "Lipstick? What lipstick? This isn't lipstick, it's just where I cut myself shaving. You're right, Kate, shirt collars don't bleed. Well, now that I look at it, it is lipstick. Gee, I must be wearing someone else's shirt. I wonder how that happened? Kate, calm down!" (No further details are available.)

Dear ALF,

I think you should make another comic book that's about the X-Melmen returning because it would be funny and powerful. My favorite guy was Psych Major because he always talked about his girlfriend, Dark Kleenex.

I'm trying to get ALF #2-9, 11-21, 25 and 26. Well, what I was thinking... could you give me some of those comic books, ALF?

I was wondering why the Tanners don't call you Gordon, ALF. And why don't you tell all the stories to the Tanners on your show that you do in your comics?

Aileen Vandenburg
Simi Valley, CA

Sorry, Aileen, due to ALF's ravenous and not very discriminating appetite, we don't have any back issues in the office. ALF likes ALF comics so much, he just 'eats them up.'

But don't despair. Companies that specialize in selling back issues advertise in the back of regular MARVEL Comics.

Yo Gordon,

I have got all your issues. But I spotted a boo-boo in #25. On page 13, panel 3, Kate is supposed to shove the chalk in PC-106's right nostril. Instead, she pushed it up the left. Maybe she wanted to know what would happen. Do I get a No-Prize?

Let's see more of Crazy Critter! I gotta go. Okay? See ya!

Gary Carver
Lewisport, KY

Good try, Gary, but no No-Prize. You see when Kate pushed the chalk up the left nostril, it fell down and lodged in the right. Maybe next time. We'll see if we can convince someone to make a mistake.

Dear ALF,

I love your show and especially your comics. Your cards are cool, too. I have a shirt that has you and it says ALF. Ha! You kill me! You're awesome. I'll see you later, couch potater! 10-Q! See ya! Your #1 fan!

Live long and prosper. Where's Jake? I

love your Sega game. I would like to see you as Batman and/or Robin. Sorry about your not liking them.

ALF has a cousin FLA who lives in FLA. In English, if you mix ALF backwards you get FLA for Florida. Think about it!

Thomas Morey
Venice, FL

If ALF had a cousin FLA, we think it might be an abbreviation for FLAMBE.

he and his evil army arise in Konami's
Dracula's Curse™ for Nintendo®

But behold! This time the magical
gift of transformation lets you turn
yourself into three different spirits.
You'll need them to fend off the Count's
legion of grotesque ghouls.

And with 17 possible regions of
unending doom, it's never quite the
same adventure twice. So, noble warrior,
choose the Paths of Fate wisely and you
may bury Dracula for good and live to
become an immortal legend!

But don't Count on it.
